

We welcome the Month of May with:

The School of Families, our monthly newsletter that will help you learn more about food waste. You will receive infographics, games, or challenges to do at home.

If you are hungry for more, we invite you to continue exploring the resources available on our website.

Today we offer you a new infographic with strategies to reduce food waste!

Because in order to reduce food waste, it is important to have a plan.

Remember, the most important thing is to plan what you're going to need and when, to make sure you don't have extra food going to waste. One of the most important steps in the fight against waste is to organize a good meal plan and buy only what you need to stick to it, storing all the food you need well.

Do you have any other tips on how to make good anti-waste strategies? Let us know!

And next month...

That's all for the month of May. If you want to know more, we invite you to keep reading our didactic materials and to follow us on Facebook, Twitter and LinkedIn. Next month, more and better?

Towards zero waste!
